## Need a Vacation?

Hard to believe that I am writing for a May newsletter! Wow! Time flies! We have many things going on in the month of May here at South Side. And it won't be long and the Memorial Day Family Camp meeting will be here. Soon summer camp at Hanging Rock begins! Some will be taking vacations or going to other camps!

You know that we will miss you, but in the event you travel away from South Side on a Sunday, let me encourage you to attend a Church of Christ/Christian Church in the area you are traveling. If you need suggestions, you can go to an online source – <http://www.crosslink.org> and search by location for a New Testament church. Or stop in the office, and I will check on that website for you, and also look in the Directory of Ministry for the closest church.

And when you come back to South Side, bring me a bulletin or newsletter (or any other type of material you may pick up while attending the church). I love to see what else is going on in the brotherhood!

I know that I personally am glad that God never sleeps, nor slumbers – He never takes a vacation from us! May we never take a vacation from Him!
