Contend for the faith which was once delivered. — Jude 1:3

## ONE BODY

The Bible describes the church as ONE BODY. In fact, those are the very words the apostle Paul writes in Ephesians 4:4. What a beautiful picture of those who are in Christ! And if we are in Christ, we are in the ONE BODY! Of course we all know the necessity of faith, repentance, confession, immersion and faithful living when it comes to being in Christ!

Three times in Scripture when Paul writes about gifts, he compares the use of them to the body. Here is how the late Dean Mills outlined these granting of gifts to the church:

Romans 12—Gifts of God the Father to the body

1 Corinthians 12—Gifts of God the Holy Spirit to the body

Ephesians 4—Gifts of God the Son to the body

The Romans list of gifts teaches us that we do all have the same function, but we are members of ONE BODY, individually members of one another.

The Corinthian list of gifts, although these gifts were replaced with the completion of the New Testament, teaches us that when one member of the body is hurting, the whole body hurts. And when one part of the body is honored, we all rejoice with them!

The Ephesians list of gifts teaches us that all the members

of the body are being fitted together and need to work together in unity for the whole body!

Just as each of us go and have a physical on our physical bodies, we should check the condition of the spiritual body also, the church!

As part of the body of Christ here at South Side, what are you doing to preserve the unity of the church? Are you using the talents and gifts that God has given you to help strengthen the body?

Each one of us has a role as a different member of the ONE BODY. We all have different talents and abilities. When we do not use those gifts, we are robbing the rest of the body! Do your own physical! Check to make sure you are not depriving the body.

One more comment about the body—with ONE BODY comes one head. And, of course, we in the Church of Christ know that we have NO head but Jesus! It is His church! He died for it! So when we do not build up the body, in essence, we are not building up Jesus!

So do what you can, everyday, to encourage the ONE BODY here at South Side! God has blessed us with a wonderful family!

God bless and keep the faith,  
Kevin
