Contend for the faith which was once delivered. — Jude 1:3

Making a NEW START!

Time for a new year! 2019!
WOW! Time sure does fly by!

Every year people make resolutions, which often times they break shortly after they get started! How many of us have said we were going to lose weight, or start exercising or saving money, only to give up after the first month or two of the new year?

Let me encourage you this year to make a NEW START and stick to it! Losing weight or exercising may be on your list, but let me suggest some spiritual things to work on.

Make a NEW START: **In Sunday School attendance**

You haven't been coming to Sunday School? Did you know that there are classes for every age group? Teachers are ready to teach, and sometimes have no students! Why not make a NEW START, and start a new habit, of being in Sunday School each week?

In church attendance

Maybe 2018 saw you attend services off and on—maybe more off than on. Make a NEW START—a commitment to be here every Lord's day that you are able. We all need to be around the Lord's table; we need the fellowship with the Lord's people; we need the teaching

and the preaching of the Word!

In giving

Maybe 2018 hasn't been a good year for you in giving to the Lord's kingdom. The church has needs. Our missions have needs. And when we seek first His kingdom, God takes care of the rest! Make that NEW START, if needed before our Lord.

In sharing your faith

Make a NEW START in sharing your faith! The Lord told us to go and teach and share the good news! But maybe we are timid. Make a NEW START and think of some potential people in your life who need to make their initial start with the Lord.

In relationships in the church

Maybe you have broken fellowship with certain people within the church. Why not make today a NEW START? Go to someone you haven't been getting along with and apologize, if needed. Let them know that you love them and you are praying for them, and with them!

As God's mercies are new and fresh everyday, may we recommit ourselves to Him, and to each other, new and fresh every day!

Make a NEW START with me!
Happy New Year!
Kevin
