## Commissioned to Share the Gospel

One of the things that made the trip for David Sutton and me to the Kimichi Men’s Clinic worth all that driving, was not only me getting to preach, but also was getting to see Kendall Faull and Dave Melton and family! Dave and I also got to meet and hear Larry West for the first time. The name Larry West may mean nothing to you, but he is director of a ministry called “We Care Ministries”. They teach people all over the world the simple Gospel message—but not only that, they teach them how to share the Gospel message with others in a simple, systematic way. They are enrolling people in the Lord’s army (remember that Bible School song)!

The graphic below describes the Gospel in a nutshell. You will start seeing it a lot here at South Side Church of Christ! Kendall Faull put together these pictures from something already being done by Larry West and the Whites Ferry Road Church of Christ in West Monroe, LA. As I Corinthians 15 describes: Jesus came to earth and died on the cross, and was placed in a tomb—but the good news is that the tomb was EMPTY—Jesus rose from the grave! One day, when the trumpet sounds, He is coming back—that is when the dead in Christ will rise, and those of us still alive will be caught up to meet them in the air! I don’t know about you, but I am EXCITED to spend eternity in heaven with my Lord! And I want to take as many as possible with me! What about you?

Of course we all want to be ready—so Jesus came to die on the cross to take care of our sin problem—He died for our sins! And when He came out of the tomb alive—He conquered death and the grave—and took care of our death, or grave problem! All we have to do is be ready when He returns! That is where . . . You know the answer to that . . . Faith, Repentance, Confession, Being Immersed comes into play Then of course living the Christian life until He returns!

Love you all! Share the Gospel!  
Kevin
